

# International Foundry Forum **2010**

where the CEOs meet

## Programme

September 10-11, 2010  
Hilton Diagonal Mar, Barcelona

# Programme

September 10, 2010, 09:00 – 17:30 hrs

## Opening

Andrzej Ryba, President CAEF  
(The European Foundry Association)

Gabriele Galante, President CEMAFON  
(The European Foundry Equipment Suppliers Association)

## Key Note

### **Megatrends in Society and Economy**

Juan Carlos Collado, Centro Estudios Económicos Tomillo

## Outlook on the Future Development of Automotive and Energy Markets

### **Future Development in the Automotive Industry/Markets**

Dr. Andreas Moritz, Management Engineers

### **Future Development in the Energy Sector**

Ulrich Benterbusch, IEA (International Energy Agency)

## Refreshment Break

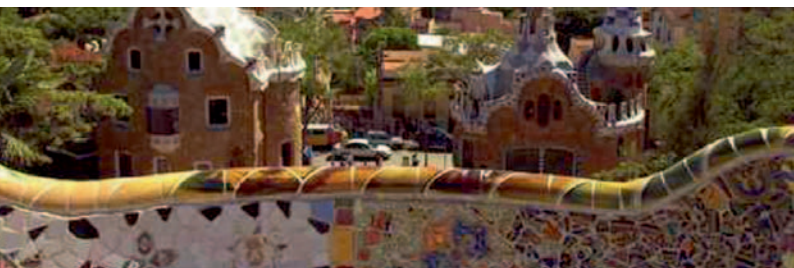

## Trends in Selected Customer Industries

### **Energy and Resources**

### **Wind Turbine Markets – Trends and Challenges of the Next Years**

José Donoso Alonso, Gamesa

## Trends and Outlook

### **Casting Needs in Modern Power Plants**

Alstom (Speaker t.b.c), Siemens (Speaker t.b.c.)

### **Future Mining – Impact of Current Developments on the Foundry Industry**

Speaker t.b.c.

## **Lunch**

### **Car and Power Train Concepts**

#### **Passenger Car Concepts**

Luis Valero, ANFAC (Spanish Association of Car and Truck Manufacturers)

#### **Diecasting in Automotive**

Rémy Walter, General Motors

## **Refreshment Break**

### **Commercial Vehicles – Future Development of Middle and Heavy Classes until 2020: Consequences for the Foundry Industry**

Ralph Wegener, Daimler

### **Market Trends and Views of the Large Diesel Engine Industry**

Pekka Siren, Wärtsilä

## **Refreshment Break**

### **Panel Discussion**

Future Challenges for the Foundry Industry with Respect to Technology Trends and Internationalisation  
Moderator: Al Spada, Modern Casting

## **Reception and Gala Dinner 20:00 hrs**

**September 11, 2010**  
**09:00 – 13:00 hrs**

### **World Foundry Industry**

Status and Medium-term Trends – Comments by  
Representatives of the Leading Foundry Regions

- **Europe**
- **North America**
- **South America**
- **China**
- **Japan**
- **India**
- **Russia**

## **Future Requirements**

### **Refreshment Break**

### **Panel Discussion**

Contribution of the Equipment Suppliers to Foundry Success  
Moderator: Mario Conserva, EDIMET

### **Held Hostage, Disengaged and Cynical: How Sustainability is Re-Defining the Customer Experience**

Guy Champniss, Havas Media

### **Closing Remarks**

Gabriele Galante, President CEMAFON

### **Lunch and End of Event**
